

Dear Parent/Carer and Student,

**Year 11 GCSE results day**

This year, GCSE results will be published to students on **Thursday 21st August 2025**

Students will be able to collect their exam results in person between 9.00am – 11am on Thursday 21st August at the school site. Students will need to arrive and make their way to the main reception, where they will be able to collect their results and celebrate with their friends and, as always, you are welcome to come with your child to collect their results.

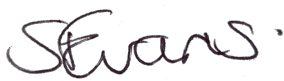

Any students who are not able to come in person will have their results posted out to them on the afternoon of Thursday 21st August. ***We are not permitted to issue results to anyone other than the student themselves, unless written permission from the named student can be presented to us for the results to be obtained.***

When collecting their results, the students will be asked to complete a permission slip outlining whether they agree for the school to request reviews or recall of their examinations, should we believe this would be beneficial for them.

Any students who still have any items of Academy property at home, including: laptops; text books, and other equipment, should bring those to the school when they come to collect their results. If your child has items of school uniform, which are still in good repair, we would be happy to take those in for students in need of additional uniform items next year.

We are very much looking forward to celebrating a positive set of results with all our students and wish them all the very best for their futures.

Yours sincerely,

A handwritten signature in black ink that reads "Susanne Evans".

Mrs Susanne Evans

Assistant Headteacher

Raising standard lead- Yr 11
